Our Mission Statement

Recreation is an essential part of every person's physical and emotional well-being. It also plays a vital part of the life of a community. In keeping with this philosophy, the town of Hamlin acknowledges the importance of recreation as a function of town government and the importance of its role in providing leisure opportunities. The Town of Hamlin Recreation Department believes in the philosophy of offering quality recreational and educational activities to the Town of Hamlin at an affordable and reasonable cost. Recreation and leisure activities are continually changing with changing lifestyles. Our goal is to keep abreast with the changing needs of the residents of the town and be continually updating activities in order to keep pace with community growth.
