Owner / Occupant: \_\_\_\_\_

Address: \_\_\_\_\_

Telephone: \_\_\_\_\_

Brief Description of Incident: \_\_\_\_\_

## REQUIRED NOTIFICATIONS

To reduce the possibility of another fire causing further damage or injury, the Fire Department or Fire Marshal is required to complete the following notification:

Chapter <sup>220</sup>~~51~~-8 Code of the Town of Hamlin / Section 1203 New York State Uniform Fire Prevention and Building Code - The chief of any fire department providing firefighting services for a property within this Town shall promptly notify the Code Enforcement Officer of any fire or explosion involving any structural damage, fuel burning appliance, chimney or gas vent.

Section 110 NYS Fire Code - If a fire should occur in any chimney, smokestack, flue, gas vent, smokepipe or connector, then the item shall be inspected for damage by the Code Enforcement Officer before any further use.

If Section 110 applies, did this fire involve the primary heat source?  Yes  No

**By signing the Owner /Occupant acknowledges that they have been notified to contact the Town of Hamlin Code Enforcement Officer at (585) 964-8181 before further use and that a building permit is required before any repairs can be made.**
