

Emergency Town Board Meeting  
February 16, 2006

The Emergency Town Board Meeting of the Hamlin Town Board was held in the Town Hall located at 1658 Lake Road, Hamlin, New York. The meeting was called to order at 7:45 pm by Supervisor Dennis K. Roach.

Present: Councilperson Michael Marchetti, Councilperson Paul S. Rath, Councilperson David Rose and Town Supervisor Dennis Roach.

Supervisor Roach explained that the emergency meeting was called because there was a fire call this morning at 1715 Lake Road. When the firemen arrived they saw the water from the roof running into the fire alarm system. One of the firemen was shocked when he hit the emergency lighting system. That's when they vacated all the people out of the apartment building. Red Cross was notified and was providing lodging for the night. The Building Inspector told the owner that when he fixed the roof and had the electric underwriters come in and inspect the electric he would allow the people to come back in.

Supervisor Roach stated that in Section 125-73 – Notice to conform, the Town Board must issue the order to vacate the property.

Resolution # 107 Motion was made by Councilman Rose, seconded by Councilman Rath to order the property at 1715 Lake Road vacated as recommended by the Town of Hamlin's Fire Marshal and Hamlin's Fire Chief, until the roof and electric is fixed with a certificate from the Fire Underwriters.
