VOTE OF THE BOARD

Polled Votes: Councilperson Baxter aye, Councilperson Hurlbutt aye, Supervisor Peters aye. Motion carried.

REPORTS:

Peters - The county has reported sales tax is down 21.7%. The town is beginning the budget process now. The allowable increase is 1.56% for the budget, however they would like the departments to keep it flat. Lakeshore Sewer District Public Hearing was virtual and went well. A Charter meeting was scheduled and Charter missed the call and has not secured the updated coverage map that was requested before the shutdown. They have rescheduled the meeting for the week of the August 17th. Pick up soccer and baseball is allowed on the town fields. Eric will be attending next meeting with the Interfaith Alliance Committee about the police. Seniors event September 17th outdoors starting at 4:00 pm. They will be serving boxed dinners and entertainment with Chris Wilkinson. Limited to 50 people.

Baxter - Hilton Parma Fire District no public hearing. no referrals. Not a lot going on at the Conservation Board. Hamlin Ambulance - 447 calls year to date that is 50 more than last year. Sewer district review 2010 compared to 2020 it was over \$1400 per year.

Hurlbutt - Hilton Morton Walker Fire District did not attend the meeting. Planning Board Meeting Public hearing for 1478 Lake Road to operate a sign and decal business. Just have to do some inspections for the fire marshal. There were a few Conservation Development permits. Sandy Creek Marina came in with plans for reopening and redoing docks. Public Hearing on September 8 for lead agency for Helios. Looking at noise ordinance times for the code book.

Groenendaal - The Email Newsletter has been getting great feedback. The town has two licenses for publisher and we are only using one with Recreation at the moment. The Town Clerk will be setting up the Deputy's computer with the second one for a one-time cost of \$182.00. This will make it much easier rather than stumbling through word. DEC still has not set us up with the new system. Is there a possibility of painting the front door? It has many chips in it.

Baase - They are working on the waterline on Redman Road and are almost done. Now they are trying to find leaks. Open part of it tomorrow. They are having a problem with north section. Starting county work paving the roads. Town work, state is down and county funding may be cut. Trees on Apple Hollow, Huntington and other areas are getting cut. USDA are putting bug traps in the area for a new insect. County government is putting the monarch butterflies on the endangered species list. They will be restricting the roadside mowing.

Pacelli - The Department had 50 permits issued from 7/13/20-8/10/20 with a permit fee cost of \$3063.80. Permit valuation \$496,258.13. 32 violation notices sent out for junk vehicles, unlicensed vehicles, outdoor storage of junk and for lawn mowing. Went on a Fire Inspection with the Fire Marshall for 1712 Lake Road and several items require attention.

Applebaum – Questioning budget and the minimum wage increase. Brockport lunch program will be 10:00 am – 2:00 pm in the gym. They will be using the back door so that will need to be maintained and locked. Applied for a grant through the CARES act for air conditioning in the gym to add another childcare location. Developing the new childcare before and after and full day hybrid option for when the 2020-21 school year starts. Looking at cameras to monitor the vandalism occurring in and around the park. Internet connection is a challenge since some will most likely be doing remote learning where they will need to stream for zoom meetings, so they are looking into Verizon and CE tech for stronger options. Junk Jamboree is cancelled. Movie night went back-and-forth, not have enough people or have too many people so they have decided to cancel. Planning to have a drive through Halloween event on the 31st.

ADJOURNMENT

Motion was made by Councilperson Hurlbutt, Seconded by Councilperson Baxter, requesting Town Board approval to adjourn the meeting at 7:49 pm as all business had been concluded.
Vote: All in Favor.

Respectfully submitted,

Patty Jo Groenendaal
Hamlin Town Clerk
