ATTENTION HAMLIN & Surrounding Towns!

We will be making a very tough decision within a week about whether or not we will be able to continue with the Haunted Highway. This October brings uncertainty about the success of this tradition & our annual fundraiser. Can you help keep this tradition alive?!

- We need people!
- More displays are needed to be created by local businesses, groups and individuals or families. Join in the fun, cash prizes for the winners!
- Volunteers!

Friends of Hamlin Recreation in a non-profit group that works on helping the Recreation Department acquire grants and award scholarships to summer camps, sports and other programs.

Don't see your item on the list?

Try these tests to see if your plastic is recyclable polyethylene or not or review the list of frequently asked questions below.

See if the package will stretch when you pull it. If yes, it can be included. If it tears like paper, then please don't put in the bin.

Is the package shiny or does it make a crinkly/crunchy sound in your hand? If yes, do NOT recycle in the NexTrex® bin.

Our Community is AMAZING . . . Keep it going!

The collection of plastic to create these benches has been a great success and we look forward to your continued contributions. With the participation of the Hamlin Lions Club, Friends of Hamlin Recreation, Friends of the Hamlin Library and Life Solutions we have collected over *4 TONs of plastic* that will no longer end up in a landfill or in the environment.
