**PUBLIC FORUM/CORRESPONDENCE:**

Clayton approached the commission about getting Youth Football started up in Hamlin. He coached football in Brockport and said each team had over 20 kids per team. Only 11 can play at a time and parents don't want to pay \$200 plus dollars to watch their child sit on the bench. Clayton wants to see how to get it going and he is willing to do whatever is needed to get it started. This would give the kids an opportunity to hone their skills and improve the talent for the schools as well as boost community morale. Angel suggested offering some kind of intro to Football, Flag etc for the spring when there are no football programs offered. Clayton is going to gather more information and bring it back to the commission to look at.
