Updates

- * Playground camp is over. Nicole and her staff did a wonderful job this year. I will have #'s when all the bills are in.
 - * We do not have a flag football this year only one signed up but we have the Start Smart football program running.
 - * All Tennis classes have been running, next class starts on Saturday.
 - * Junk Jamboree was great, very busy first thing in the morning. Hamlin Hornets made over \$400.00 at their booth.
 - * Our 1st Basketball Tournament had two divisions 18 and up and 11-13 age group. Next year. We are thinking about doing it the same time as the wheel fest. The Wheel fest will be at the Town Hall. We will need officials. It was a nice add on to Junk Jam.
 - * I was at the SWISL meeting a big thing is they want is to make sure everyone has a visitor side and a home side. This helps to keep problems down. We need to enforce that more by staff and coaches. Field # 4 will need areas designated maybe with signs since we can't put it on the other side of the field.
 - * Adult soccer was very successful
 - * Budget 7140.1 (staffing) is getting low we will not do anymore farmer market dates. Maybe just a couple next year.
 - * Volunteer Appreciation Night
- Thoughts? Can we make it closer to the end of the Summer sports season and make it a weekend or a Friday night? Movie?

COMMISSIONER'S REPORT:

A Vote was taken on the approval of the Brochure and it was denied. Angel will communicate changes to Patty Jo that are needed and Patty Jo can email to group to have another vote taken prior to publication.

The Commissioners discussed Volunteer Appreciation night. It was noted that attendance was low. Some suggestions that were made were End of July instead of End of August timeframe and possibly a newer release. A question was made as to how to reuse pins that were purchased. Several members of the Commission like the Outdoor Movies and want to keep those in the budget for next year.

Another suggestion made was the possibility of running half day camps to coincide with the half day school days.

Stan Lyons reported that the ground breaking ceremony went well on the new building and that they hope to have it finished for WheelFest next year that will be held at the Town Hall.

Angel Male reported that she would like the Commission to recognize the Hamlin Hornets and Greg Spears of Ozzy's. The Hamlin Hornets have set out a donation jar for money to support needed equipment for the building. Greg Spear's has been golfing on Thursday nights with a young boy that signed up for one of our programs. The program was cancelled at the last minute and Mr. Spears took it upon himself to honor the schedule with the boy himself.
