Jason reported that last night's meeting was relatively short. There will be a public hearing regarding the number of dogs allowed in the trailer parks.

DIRECTOR'S REPORT:

Anke reported that she has completed the interviews and has hired a new staff member for the Before and After school program. Baseball and soccer sign-ups have been going good we have more baseball players this year than last year. Tammy has been doing a great job coordinating the teams, coaches and learning the MURSL roster pro system. The office is starting to prepare for Volunteer Appreciation Night as well as the Junkyard Jamboree. Anke looked into the mailing versus the insert prices for the next brochure. If we switch to the inserts we would reach a much larger audience for less money. The office has been working on creating a survey to give us some insight as to what our community would like to see from our department. If all goes well, we will have a more diverse selection of activities for this fall's brochure.
