### DIRECTOR'S REPORT:

Anke reported that the kitchen is officially finished and has passes the inspection by the Health Department. The Outdoor Sports event had great attendance and there are twice as many vendors scheduled for the Winter Wellness event. The office is busy working on the new brochure and is coordinating new events such as a Food Truck Rodeo & Craft Fair for September. The annual Junk Jamboree will also be embellished with food trucks and music. Sports sign-ups are ongoing but a bit sluggish still probably because of the weather. The Paint and Sip class was wildly successful and we will be running it again in late spring. There were 12 community members in attendance at the first meeting for the community garden. Anke is looking at a couple of new ideas for the Volunteer Appreciation night, due to a decrease in attendance at the movie night.
