APPROVAL FOR PUBLIC HEARING FOR A CHANGE TO LOCAL LAW REGARDING RV TRAILERS

Resolution #116 Motion made by Councilperson Yager and seconded by Councilperson Hurlbutt to hold a public hearing for a change to local law regarding RV trailers Sec. 454-5 on July 13, 2020 at 6:30 pm at the Hamlin Town Hall.
Polled Votes: Councilperson Baxter aye, Councilperson Voelkl aye, Councilperson Hurlbutt aye, Councilperson Yager aye, Supervisor Peters aye. Motion carried.

DISCUSSION:

Peters

Dave has decided to keep the fence and replace the broken rails and posts at the History Center. Still need to look into the roof and someone is willing to fix the roof vent. The building is

classified as a historical building so they will have to check with all regulations. Dave also wondered if highway could bring in some crusher stone for the floor of the barn.

The Senior Citizen group had their executive meeting outside. Due to Covid they will proceed with the utmost caution for future events. Nothing is planned, however, they are thinking about a food truck event. This type of event has possibility to keep everyone in small groups. They will try to use 2020 budget money on next year's trips. Office of the Aging will have a conference call to go over some guidelines for Senior Recreation Centers.
Phase 4 will begin Friday with restrictions. Phase 4 will not include gyms, malls & theaters. Church is available to go to a 33% capacity. The County is doing more testing and are below a 1% infection rate. Hospitals will resume visitation. Nothing yet for group homes. The Monroe county DMV will be opening but not the Greece location because it's located in the mall. County parks will be excepting reservations. There has been discussion with the Health Department and schools about bus capacities and other regulations. As soon as it is possible Eric will set an executive order for a public hearing on the sewer district. It is expected that more will be in attendance than the informational meeting since a lot of the snowbirds are back. Duffy has no set date for phase 5. Another discussion on requiring masks will most likely be in place until a vaccine is available.
Highway has been continuing with the water project and Redman Road.

ADJOURNMENT

Motion was made by Councilperson Yager, Seconded by Councilperson Hurlbutt, requesting Town Board approval to adjourn the meeting at 7:25 pm as all business had been concluded. Vote: All in Favor.

Respectfully submitted,

Patty Jo Groenendaal
Hamlin Town Clerk
