

# Deceased Animal Pickup

The Town of Hamlin Highway Dept. will pick up deceased animals on Town and County roads. All animals need to be located within the right-of-way, which is approximately 30 feet from the center line of the road on both sides. If the animal is on privately owned property, the town cannot remove it.

All deceased animals on New York State roads are picked up by a private vendor that NYS contracts with. We are not allowed to pick up animals on NYS highways.
