Don't see your item on the list?

Try these tests to see if your plastic is recyclable polyethylene or not or review the list of frequently asked questions below.

See if the package will stretch when you pull it. If yes, it can be included. If it tears like paper, then please don't put in the bin.

Is the package shiny or does it make a crinkly/crunchy sound in your hand? If yes, do NOT recycle in the NexTrex® bin.

Our Community is AMAZING . . . Keep it going!

The collection of plastic to create these benches has been a great success and we look forward to your continued contributions. With the participation of the Hamlin Lions Club, Friends of Hamlin Recreation, Friends of the Hamlin Library and Life Solutions we have collected over *3.5 TONS of plastic* that will no longer end up in a landfill or in the environment. This equates to 7 benches for our park so far.
