Jeanine Klopp reported on the June 3, 2024 Planning Board Meeting.
Application of Anthony Zamiara of 75 Walker Road, seeking to merge 2 lots into 1 lot. There will be no expansion of the existing buildings. This is an Unlisted neg Dec Under SEQR. This was approved.

Preliminary and Final Subdivision for 1765 Redman Road. They have expressed an interest in building a new barn on the property. This was scheduled for a Public Hearing on July 9, 2024.

Steve Rutherford reported on the June 10, 2024 Fishing Advisory Board Meeting.
Dr. Whittier passed away in March. He was in charge of CISCO for Irondequoit Bay. No replacement as of yet. There have been a lot of hits for the new campaign. There a lot of families looking at our area for family events wine tours and family adventures. The NY Sea Grant Project id getting us information.

Steve Rutherford will report on the June 19, 2024 EMC Meeting.
There will be no meeting until September. GIS Mapping system going well. There are many layers involved such as, storm sewers, water and wetlands, open space index, Ag use, vegetation and wildlife to name a few.

Rob Westcott reported on the June 10, 2024 Town Board Meeting.

DRAFT

There was a discussion on seal coating the existing tennis courts which may also serve as pickle ball courts. There was a meeting in Kendall concerning the Kendall Hamlin Sewer project. There was not a lot of information on the project. The West Creek bridge over Wiler Road will be worked on.

Louis Divincenti reported on the June 17, 2024 Zoning Board of Appeals Meeting.
Louis was unable to present a report.

Jeanine Klopp will report on the Friends of Hamlin Beach
Swimming is now open 7 days a week (weather and water quality dependent). Campers are using the bins for cans and bottles that the Friends built. Nearly 2000 returnables have already been collected. With the help of a watercraft inspection steward, 43 pounds of swallowwart (which is toxic to Monarchs) was removed from devil's Nose. A homeschool group removed garlic mustard from the marsh. Using a backhoe and chains, park employees removed invasive Japanese knotweed from the wall in Area 3. Native plants have been ordered for pollinator gardens and to increase diversity in the no-mow zones and rose bushes and annuals have been planted in various places throughout the park.

Bash at the Beach on Saturday June 29th. Various events are planned throughout the day beginning at 1PM and ending with a concert at 6PM and fireworks at 10PM.

Zoning Workshop Report
There was no meeting to report on.
